Governor:

Back when the Schiavo matter started heating up, I E-mailed you to stay out of it at least for the sake of the Republican Party and our effort over the years to become a dominant force in Florida. You have failed to do so in the face of Florida's two to one favor of letting this poor woman go after 15 years of controversy.

The Supreme Court has ruled again. Drop your futile and unwise persistency. You have already done untold damage to the Republicans that did so much for our Party.
